ADOS Position Vacancy Announcement
Advertisement # IDT

Opening date: 09 Feb 2017

Closing Date: 22 Feb 2017

Position: Deployment Cycle Support Coordinator (Yellow Ribbon/MRT support)

Duty MOS: unspecified

Authorized Grade: SSG/E6

Unit Location: Warrior and Family Services JFHQ, JBER, AK

Selecting Supervisor: Octavia Thompson, State Family Program Director

POC for Duty Information: Octavia Thompson, 907-428-6219

Duty Performance Information:

Conducts all phases of Yellow Ribbon Reintegration Program (YRRP) planning, coordination, and execution. Coordinates, prepares, and executes YRRP events and outreach activities at the State level throughout the four phases of the deployment cycle: Pre-Deployment, Deployment, Demobilization, and Post-Deployment or Reconstitution.

Assists in managing the Master Resilience Trainer (MRT) population, coordinate resiliency training within the State, and coordinating Resilience Trainer Assistant (RTA) training.

The objectives of the program are to introduce Service Members and their Families or Designated Individuals to available resources in their local area and to accomplish Comprehensive Soldier and Family Fitness (CSF2) program to increase the physical and psychological health, resilience, and performance of Soldiers, Families, and Army Civilians.

Eligibility:

- a. Soldiers E4 – E6.
- b. Current physical or PHA.
- c. Soldiers who are flagged, or should be flagged need not apply.
- d. Level 1MRT certification by 1 April 17

Application Process: Submit a letter of interest and resume directly to ATTN: State Family Program Director, PO Box 5800, JBER 99505 or submitted via e-mail to

octavia.l.thompson2.civ@mail.mil. Questions regarding this application process will be address to the POC for duty information identified above.
